

the continued operation, in whole or in part, of public land, units of the National Park System, units of the National Wildlife Refuge System, and units of the National Forest System in the State during any period in which the Secretary of the Interior or the Secretary of Agriculture is unable to maintain normal level of operations at the units due to a lapse in appropriations, and for other purposes; to the Committee on Energy and Natural Resources.

By Ms. MURKOWSKI:

S. 147. An original bill to approve the Keystone XL Pipeline; from the Committee on Energy and Natural Resources; placed on the calendar.

By Mr. PORTMAN (for himself, Mr. CARDIN, Mr. HOEVEN, Mr. CASEY, and Mr. BENNET):

S. 148. A bill to amend title XVIII of the Social Security Act to require State licensure and bid surety bonds for entities submitting bids under the Medicare durable medical equipment, prosthetics, orthotics, and supplies (DMEPOS) competitive acquisition program, and for other purposes; to the Committee on Finance.

By Mr. LEAHY:

S.J. Res. 3. A joint resolution providing for the reappointment of David M. Rubenstein as a citizen regent of the Board of Regents of the Smithsonian Institution; to the Committee on Rules and Administration.

#### ADDITIONAL COSPONSORS

S. 11

At the request of Mr. BLUNT, the name of the Senator from Oklahoma (Mr. LANKFORD) was added as a cosponsor of S. 11, a bill to protect the separation of powers in the Constitution of the United States by ensuring that the President takes care that the laws be faithfully executed, and for other purposes.

S. 12

At the request of Mr. BLUNT, the name of the Senator from Indiana (Mr. COATS) was added as a cosponsor of S. 12, a bill to amend the Internal Revenue Code of 1986 to exempt employees with health coverage under TRICARE or the Veterans Administration from being taken into account for purposes of determining the employers to which the employer mandate applies under the Patient Protection and Affordable Care Act.

S. 30

At the request of Ms. COLLINS, the names of the Senator from West Virginia (Mrs. CAPITO) and the Senator from Indiana (Mr. COATS) were added as cosponsors of S. 30, a bill to amend the Internal Revenue Code of 1986 to modify the definition of full-time employee for purposes of the employer mandate in the Patient Protection and Affordable Care Act.

S. 55

At the request of Mr. VITTER, the name of the Senator from Louisiana (Mr. CASSIDY) was added as a cosponsor of S. 55, a bill to extend the seaward boundaries of certain States, and for other purposes.

S. 117

At the request of Mr. HELLER, the names of the Senator from Pennsyl-

vania (Mr. TOOMEY) and the Senator from Texas (Mr. CORNYN) were added as cosponsors of S. 117, a bill to recognize Jerusalem as the capital of Israel, to relocate to Jerusalem the United States Embassy in Israel, and for other purposes.

S. 125

At the request of Mr. LEAHY, the names of the Senator from Rhode Island (Mr. WHITEHOUSE) and the Senator from Utah (Mr. HATCH) were added as cosponsors of S. 125, a bill to amend title I of the Omnibus Crime Control and Safe Streets Act of 1968 to extend the authorization of the Bulletproof Vest Partnership Grant Program through fiscal year 2020, and for other purposes.

S. 128

At the request of Mr. PORTMAN, the names of the Senator from North Dakota (Mr. HOEVEN), the Senator from Minnesota (Mr. FRANKEN), the Senator from New Hampshire (Ms. AYOTTE), the Senator from Maine (Ms. COLLINS) and the Senator from Colorado (Mr. BENNET) were added as cosponsors of S. 128, a bill to promote energy efficiency, and for other purposes.

S. 141

At the request of Mr. CORNYN, the names of the Senator from Alabama (Mr. SHELBY), the Senator from Oklahoma (Mr. LANKFORD) and the Senator from Louisiana (Mr. VITTER) were added as cosponsors of S. 141, a bill to repeal the provisions of the Patient Protection and Affordable Care Act providing for the Independent Payment Advisory Board.

S.J. RES. 2

At the request of Mr. LEE, the name of the Senator from Louisiana (Mr. VITTER) was added as a cosponsor of S.J. Res. 2, a joint resolution proposing an amendment to the Constitution of the United States requiring that the Federal budget be balanced.

#### AMENDMENTS SUBMITTED AND PROPOSED

SA 2. Ms. MURKOWSKI (for herself, Mr. HOEVEN, Mr. BARRASSO, Mr. RISCH, Mr. LEE, Mr. FLAKE, Mr. DAINES, Mr. MANCHIN, Mr. CASSIDY, Mr. GARDNER, Mr. PORTMAN, Mr. ALEXANDER, and Mrs. CAPITO) submitted an amendment intended to be proposed by her to the bill S. 1, to approve the Keystone XL Pipeline; which was ordered to lie on the table.

SA 3. Mr. PORTMAN (for himself and Mrs. SHAHEEN) submitted an amendment intended to be proposed to amendment SA 2 submitted by Ms. MURKOWSKI (for herself, Mr. HOEVEN, Mr. BARRASSO, Mr. RISCH, Mr. LEE, Mr. FLAKE, Mr. DAINES, Mr. MANCHIN, Mr. CASSIDY, Mr. GARDNER, Mr. PORTMAN, Mr. ALEXANDER, and Mrs. CAPITO) and intended to be proposed to the bill S. 1, supra; which was ordered to lie on the table.

#### TEXT OF AMENDMENTS

SA 2. Ms. MURKOWSKI (for herself, Mr. HOEVEN, Mr. BARRASSO, Mr. RISCH, Mr. LEE, Mr. FLAKE, Mr. DAINES, Mr. MANCHIN, Mr. CASSIDY, Mr. GARDNER,

Mr. PORTMAN, Mr. ALEXANDER, and Mrs. CAPITO) submitted an amendment intended to be proposed by her to the bill S. 1, to approve the Keystone XL Pipeline; which was ordered to lie on the table; as follows:

Strike all after the enacting clause and insert the following:

#### SECTION 1. SHORT TITLE.

This Act may be cited as the "Keystone XL Pipeline Approval Act".

#### SEC. 2. KEYSTONE XL APPROVAL.

(a) IN GENERAL.—TransCanada Keystone Pipeline, L.P. may construct, connect, operate, and maintain the pipeline and cross-border facilities described in the application filed on May 4, 2012, by TransCanada Corporation to the Department of State (including any subsequent revision to the pipeline route within the State of Nebraska required or authorized by the State of Nebraska).

(b) ENVIRONMENTAL IMPACT STATEMENT.—The Final Supplemental Environmental Impact Statement issued by the Secretary of State in January 2014, regarding the pipeline referred to in subsection (a), and the environmental analysis, consultation, and review described in that document (including appendices) shall be considered to fully satisfy—

(1) all requirements of the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.); and

(2) any other provision of law that requires Federal agency consultation or review (including the consultation or review required under section 7(a) of the Endangered Species Act of 1973 (16 U.S.C. 1536(a))) with respect to the pipeline and facilities referred to in subsection (a).

(c) PERMITS.—Any Federal permit or authorization issued before the date of enactment of this Act for the pipeline and cross-border facilities referred to in subsection (a) shall remain in effect.

(d) JUDICIAL REVIEW.—Except for review in the Supreme Court of the United States, the United States Court of Appeals for the District of Columbia Circuit shall have original and exclusive jurisdiction over any civil action for the review of an order or action of a Federal agency regarding the pipeline and cross-border facilities described in subsection (a), and the related facilities in the United States, that are approved by this Act (including any order granting a permit or right-of-way, or any other agency action taken to construct or complete the project pursuant to Federal law).

(e) PRIVATE PROPERTY SAVINGS CLAUSE.—Nothing in this Act alters any Federal, State, or local process or condition in effect on the date of enactment of this Act that is necessary to secure access from an owner of private property to construct the pipeline and cross-border facilities described in subsection (a).

SA 3. Mr. PORTMAN (for himself and Mrs. SHAHEEN) submitted an amendment intended to be proposed to amendment SA 2 submitted by Ms. MURKOWSKI (for herself, Mr. HOEVEN, Mr. BARRASSO, Mr. RISCH, Mr. LEE, Mr. FLAKE, Mr. DAINES, Mr. MANCHIN, Mr. CASSIDY, Mr. GARDNER, Mr. PORTMAN, Mr. ALEXANDER, and Mrs. CAPITO) and intended to be proposed to the bill S. 1, to approve the Keystone XL Pipeline; which was ordered to lie on the table; as follows:

After section 2, insert the following:

#### DIVISION B—ENERGY EFFICIENCY IMPROVEMENT

#### SECTION 1. SHORT TITLE.

This division may be cited as the "Energy Efficiency Improvement Act of 2015".

## TITLE I—BETTER BUILDINGS

## SEC. 101. SHORT TITLE.

This title may be cited as the “Better Buildings Act of 2015”.

## SEC. 102. ENERGY EFFICIENCY IN FEDERAL AND OTHER BUILDINGS.

(a) DEFINITIONS.—In this section:

(1) ADMINISTRATOR.—The term “Administrator” means the Administrator of General Services.

(2) COST-EFFECTIVE ENERGY EFFICIENCY MEASURE.—The term “cost-effective energy efficiency measure” means any building product, material, equipment, or service, and the installing, implementing, or operating thereof, that provides energy savings in an amount that is not less than the cost of such installing, implementing, or operating.

(3) COST-EFFECTIVE WATER EFFICIENCY MEASURE.—The term “cost-effective water efficiency measure” means any building product, material, equipment, or service, and the installing, implementing, or operating thereof, that provides water savings in an amount that is not less than the cost of such installing, implementing, or operating.

(b) MODEL PROVISIONS, POLICIES, AND BEST PRACTICES.—

(1) IN GENERAL.—Not later than 180 days after the date of enactment of this Act, the Administrator, in consultation with the Secretary of Energy and after providing the public with an opportunity for notice and comment, shall develop model commercial leasing provisions and best practices in accordance with this subsection.

(2) COMMERCIAL LEASING.—

(A) IN GENERAL.—The model commercial leasing provisions developed under this subsection shall, at a minimum, align the interests of building owners and tenants with regard to investments in cost-effective energy efficiency measures and cost-effective water efficiency measures to encourage building owners and tenants to collaborate to invest in such measures.

(B) USE OF MODEL PROVISIONS.—The Administrator may use the model commercial leasing provisions developed under this subsection in any standard leasing document that designates a Federal agency (or other client of the Administrator) as a landlord or tenant.

(C) PUBLICATION.—The Administrator shall periodically publish the model commercial leasing provisions developed under this subsection, along with explanatory materials, to encourage building owners and tenants in the private sector to use such provisions and materials.

(3) REALTY SERVICES.—The Administrator shall develop policies and practices to implement cost-effective energy efficiency measures and cost-effective water efficiency measures for the realty services provided by the Administrator to Federal agencies (or other clients of the Administrator), including periodic training of appropriate Federal employees and contractors on how to identify and evaluate those measures.

(4) STATE AND LOCAL ASSISTANCE.—The Administrator, in consultation with the Secretary of Energy, shall make available model commercial leasing provisions and best practices developed under this subsection to State, county, and municipal governments for use in managing owned and leased building space in accordance with the goal of encouraging investment in all cost-effective energy efficiency measures and cost-effective water efficiency measures.

## SEC. 103. SEPARATE SPACES WITH HIGH-PERFORMANCE ENERGY EFFICIENCY MEASURES.

(a) IN GENERAL.—Subtitle B of title IV of the Energy Independence and Security Act of 2007 (42 U.S.C. 17081 et seq.) is amended by adding at the end the following:

## “SEC. 424. SEPARATE SPACES WITH HIGH-PERFORMANCE ENERGY EFFICIENCY MEASURES.

“(a) DEFINITIONS.—In this section:

“(1) HIGH-PERFORMANCE ENERGY EFFICIENCY MEASURE.—The term ‘high-performance energy efficiency measure’ means a technology, product, or practice that will result in substantial operational cost savings by reducing energy consumption and utility costs.

“(2) SEPARATE SPACES.—The term ‘separate spaces’ means areas within a commercial building that are leased or otherwise occupied by a tenant or other occupant for a period of time pursuant to the terms of a written agreement.

“(b) STUDY.—

“(1) IN GENERAL.—Not later than 1 year after the date of enactment of this section, the Secretary, acting through the Assistant Secretary of Energy Efficiency and Renewable Energy, shall complete a study on the feasibility of—

“(A) significantly improving energy efficiency in commercial buildings through the design and construction, by owners and tenants, of separate spaces with high-performance energy efficiency measures; and

“(B) encouraging owners and tenants to implement high-performance energy efficiency measures in separate spaces.

“(2) SCOPE.—The study shall, at a minimum, include—

“(A) descriptions of—

“(i) high-performance energy efficiency measures that should be considered as part of the initial design and construction of separate spaces;

“(ii) processes that owners, tenants, architects, and engineers may replicate when designing and constructing separate spaces with high-performance energy efficiency measures;

“(iii) policies and best practices to achieve reductions in energy intensities for lighting, plug loads, heating, cooling, cooking, laundry, and other systems to satisfy the needs of the commercial building tenant;

“(iv) return on investment and payback analyses of the incremental cost and projected energy savings of the proposed set of high-performance energy efficiency measures, including consideration of available incentives;

“(v) models and simulation methods that predict the quantity of energy used by separate spaces with high-performance energy efficiency measures and that compare that predicted quantity to the quantity of energy used by separate spaces without high-performance energy efficiency measures but that otherwise comply with applicable building code requirements;

“(vi) measurement and verification platforms demonstrating actual energy use of high-performance energy efficiency measures installed in separate spaces, and whether such measures generate the savings intended in the initial design and construction of the separate spaces;

“(vii) best practices that encourage an integrated approach to designing and constructing separate spaces to perform at optimum energy efficiency in conjunction with the central systems of a commercial building; and

“(viii) any impact on employment resulting from the design and construction of separate spaces with high-performance energy efficiency measures; and

“(B) case studies reporting economic and energy savings returns in the design and construction of separate spaces with high-performance energy efficiency measures.

“(3) PUBLIC PARTICIPATION.—Not later than 90 days after the date of the enactment of this section, the Secretary shall publish a notice in the Federal Register requesting

public comments regarding effective methods, measures, and practices for the design and construction of separate spaces with high-performance energy efficiency measures.

“(4) PUBLICATION.—The Secretary shall publish the study on the website of the Department of Energy.”

(b) CLERICAL AMENDMENT.—The table of contents in section 1(b) of the Energy Independence and Security Act of 2007 is amended by inserting after the item relating to section 423 the following new item:

“Sec. 424. Separate spaces with high-performance energy efficiency measures.”

## SEC. 104. TENANT STAR PROGRAM.

(a) IN GENERAL.—Subtitle B of title IV of the Energy Independence and Security Act of 2007 (42 U.S.C. 17081 et seq.) (as amended by section 103) is amended by adding at the end the following:

## “SEC. 425. TENANT STAR PROGRAM.

“(a) DEFINITIONS.—In this section:

“(1) HIGH-PERFORMANCE ENERGY EFFICIENCY MEASURE.—The term ‘high-performance energy efficiency measure’ has the meaning given the term in section 424.

“(2) SEPARATE SPACES.—The term ‘separate spaces’ has the meaning given the term in section 424.

“(b) TENANT STAR.—The Administrator of the Environmental Protection Agency, in consultation with the Secretary of Energy, shall develop a voluntary program within the Energy Star program established by section 324A of the Energy Policy and Conservation Act (42 U.S.C. 6294a), which may be known as ‘Tenant Star’, to promote energy efficiency in separate spaces leased by tenants or otherwise occupied within commercial buildings.

“(c) EXPANDING SURVEY DATA.—The Secretary of Energy, acting through the Administrator of the Energy Information Administration, shall—

“(1) collect, through each Commercial Buildings Energy Consumption Survey of the Energy Information Administration that is conducted after the date of enactment of this section, data on—

“(A) categories of building occupancy that are known to consume significant quantities of energy, such as occupancy by data centers, trading floors, and restaurants; and

“(B) other aspects of the property, building operation, or building occupancy determined by the Administrator of the Energy Information Administration, in consultation with the Administrator of the Environmental Protection Agency, to be relevant in lowering energy consumption;

“(2) with respect to the first Commercial Buildings Energy Consumption Survey conducted after the date of enactment of this section, to the extent full compliance with the requirements of paragraph (1) is not feasible, conduct activities to develop the capability to collect such data and begin to collect such data; and

“(3) make data collected under paragraphs (1) and (2) available to the public in aggregated form and provide such data, and any associated results, to the Administrator of the Environmental Protection Agency for use in accordance with subsection (d).

“(d) RECOGNITION OF OWNERS AND TENANTS.—

“(1) OCCUPANCY-BASED RECOGNITION.—Not later than 1 year after the date on which sufficient data is received pursuant to subsection (c), the Administrator of the Environmental Protection Agency shall, following an opportunity for public notice and comment—

“(A) in a manner similar to the Energy Star rating system for commercial buildings,

develop policies and procedures to recognize tenants in commercial buildings that voluntarily achieve high levels of energy efficiency in separate spaces;

“(B) establish building occupancy categories eligible for Tenant Star recognition based on the data collected under subsection (c) and any other appropriate data sources; and

“(C) consider other forms of recognition for commercial building tenants or other occupants that lower energy consumption in separate spaces.

“(2) DESIGN- AND CONSTRUCTION-BASED RECOGNITION.—After the study required by section 424(b) is completed, the Administrator of the Environmental Protection Agency, in consultation with the Secretary and following an opportunity for public notice and comment, may develop a voluntary program to recognize commercial building owners and tenants that use high-performance energy efficiency measures in the design and construction of separate spaces.”.

(b) CLERICAL AMENDMENT.—The table of contents in section 1(b) of the Energy Independence and Security Act of 2007 is amended by inserting after the item relating to section 424 (as added by section 103(b)) the following new item:

“Sec. 425. Tenant Star program.”.

## **TITLE II—GRID-ENABLED WATER HEATERS**

### **SEC. 201. GRID-ENABLED WATER HEATERS.**

Part B of title III of the Energy Policy and Conservation Act is amended—

(1) in section 325(e) (42 U.S.C. 6295(e)), by adding at the end the following:

“(6) ADDITIONAL STANDARDS FOR GRID-ENABLED WATER HEATERS.—

“(A) DEFINITIONS.—In this paragraph:

“(i) ACTIVATION LOCK.—The term ‘activation lock’ means a control mechanism (either a physical device directly on the water heater or a control system integrated into the water heater) that is locked by default and contains a physical, software, or digital communication that must be activated with an activation key to enable the product to operate at its designed specifications and capabilities and without which activation the product will provide not greater than 50 percent of the rated first hour delivery of hot water certified by the manufacturer.

“(ii) GRID-ENABLED WATER HEATER.—The term ‘grid-enabled water heater’ means an electric resistance water heater that—

“(I) has a rated storage tank volume of more than 75 gallons;

“(II) is manufactured on or after April 16, 2015;

“(III) has—

“(aa) an energy factor of not less than 1.061 minus the product obtained by multiplying—

“(AA) the rated storage volume of the tank, expressed in gallons; and

“(BB) 0.00168; or

“(bb) an equivalent alternative standard prescribed by the Secretary and developed pursuant to paragraph (5)(E);

“(IV) is equipped at the point of manufacture with an activation lock; and

“(V) bears a permanent label applied by the manufacturer that—

“(aa) is made of material not adversely affected by water;

“(bb) is attached by means of non-water-soluble adhesive; and

“(cc) advises purchasers and end-users of the intended and appropriate use of the product with the following notice printed in 16.5 point Arial Narrow Bold font:

“IMPORTANT INFORMATION: This water heater is intended only for use as part of an electric thermal storage or demand response program. It will not provide adequate hot water unless enrolled in such a program and

activated by your utility company or another program operator. Confirm the availability of a program in your local area before purchasing or installing this product.”.

“(B) REQUIREMENT.—The manufacturer or private labeler shall provide the activation key for a grid-enabled water heater only to a utility or other company that operates an electric thermal storage or demand response program that uses such a grid-enabled water heater.

“(C) REPORTS.—

“(i) MANUFACTURERS.—The Secretary shall require each manufacturer of grid-enabled water heaters to report to the Secretary annually the quantity of grid-enabled water heaters that the manufacturer ships each year.

“(ii) OPERATORS.—The Secretary shall require utilities and other demand response and thermal storage program operators to report annually the quantity of grid-enabled water heaters activated for their programs using forms of the Energy Information Agency or using such other mechanism that the Secretary determines appropriate after an opportunity for notice and comment.

“(iii) CONFIDENTIALITY REQUIREMENTS.—The Secretary shall treat shipment data reported by manufacturers as confidential business information.

“(D) PUBLICATION OF INFORMATION.—

“(i) IN GENERAL.—In 2017 and 2019, the Secretary shall publish an analysis of the data collected under subparagraph (C) to assess the extent to which shipped products are put into use in demand response and thermal storage programs.

“(ii) PREVENTION OF PRODUCT DIVERSION.—If the Secretary determines that sales of grid-enabled water heaters exceed by 15 percent or greater the quantity of such products activated for use in demand response and thermal storage programs annually, the Secretary shall, after opportunity for notice and comment, establish procedures to prevent product diversion for non-program purposes.

“(E) COMPLIANCE.—

“(i) IN GENERAL.—Subparagraphs (A) through (D) shall remain in effect until the Secretary determines under this section that—

“(I) grid-enabled water heaters do not require a separate efficiency requirement; or

“(II) sales of grid-enabled water heaters exceed by 15 percent or greater the quantity of such products activated for use in demand response and thermal storage programs annually and procedures to prevent product diversion for non-program purposes would not be adequate to prevent such product diversion.

“(ii) EFFECTIVE DATE.—If the Secretary exercises the authority described in clause (i) or amends the efficiency requirement for grid-enabled water heaters, that action will take effect on the date described in subsection (m)(4)(A)(ii).

“(iii) CONSIDERATION.—In carrying out this section with respect to electric water heaters, the Secretary shall consider the impact on thermal storage and demand response programs, including any impact on energy savings, electric bills, peak load reduction, electric reliability, integration of renewable resources, and the environment.

“(iv) REQUIREMENTS.—In carrying out this paragraph, the Secretary shall require that grid-enabled water heaters be equipped with communication capability to enable the grid-enabled water heaters to participate in ancillary services programs if the Secretary determines that the technology is available, practical, and cost-effective.”;

(2) in section 332(a) (42 U.S.C. 6302(a))—

(A) in paragraph (5), by striking “or” at the end;

(B) in the first paragraph (6), by striking the period at the end and inserting a semicolon;

(C) by redesignating the second paragraph (6) as paragraph (7);

(D) in subparagraph (B) of paragraph (7) (as so redesignated), by striking the period at the end and inserting “; or”; and

(E) by adding at the end the following:

“(8) for any person—

“(A) to activate an activation lock for a grid-enabled water heater with knowledge that such water heater is not used as part of an electric thermal storage or demand response program;

“(B) to distribute an activation key for a grid-enabled water heater with knowledge that such activation key will be used to activate a grid-enabled water heater that is not used as part of an electric thermal storage or demand response program;

“(C) to otherwise enable a grid-enabled water heater to operate at its designed specification and capabilities with knowledge that such water heater is not used as part of an electric thermal storage or demand response program; or

“(D) to knowingly remove or render illegible the label of a grid-enabled water heater described in section 325(e)(6)(A)(ii)(V).”;

(3) in section 333(a) (42 U.S.C. 6303(a))—

(A) by striking “section 332(a)(5)” and inserting “paragraph (5), (6), (7), or (8) of section 332(a)”; and

(B) by striking “paragraph (1), (2), or (5) of section 332(a)” and inserting “paragraph (1), (2), (5), (6), (7), or (8) of section 332(a)”; and

(4) in section 334 (42 U.S.C. 6304)—

(A) by striking “section 332(a)(5)” and inserting “paragraph (5), (6), (7), or (8) of section 332(a)”; and

(B) by striking “section 332(a)(6)” and inserting “section 332(a)(7)”.

## **TITLE III—ENERGY EFFICIENT GOVERNMENT TECHNOLOGY**

### **SEC. 301. SHORT TITLE.**

This title may be cited as the “Energy Efficient Government Technology Act”.

### **SEC. 302. ENERGY-EFFICIENT AND ENERGY-SAVING INFORMATION TECHNOLOGIES.**

Subtitle C of title V of the Energy Independence and Security Act of 2007 (Public Law 110-140; 121 Stat. 1661) is amended by adding at the end the following:

### **“SEC. 530. ENERGY-EFFICIENT AND ENERGY-SAVING INFORMATION TECHNOLOGIES.**

“(a) DEFINITIONS.—In this section:

“(1) DIRECTOR.—The term ‘Director’ means the Director of the Office of Management and Budget.

“(2) INFORMATION TECHNOLOGY.—The term ‘information technology’ has the meaning given that term in section 11101 of title 40, United States Code.

“(b) DEVELOPMENT OF IMPLEMENTATION STRATEGY.—Not later than 1 year after the date of enactment of this section, each Federal agency shall coordinate with the Director, the Secretary, and the Administrator of the Environmental Protection Agency to develop an implementation strategy (that includes best practices and measurement and verification techniques) for the maintenance, purchase, and use by the Federal agency of energy-efficient and energy-saving information technologies, taking into consideration the performance goals established under subsection (d).

“(c) ADMINISTRATION.—In developing an implementation strategy under subsection (b), each Federal agency shall consider—

“(1) advanced metering infrastructure;

“(2) energy-efficient data center strategies and methods of increasing asset and infrastructure utilization;

“(3) advanced power management tools;

“(4) building information modeling, including building energy management;

“(5) secure telework and travel substitution tools; and

“(6) mechanisms to ensure that the agency realizes the energy cost savings brought about through increased efficiency and utilization.

“(d) PERFORMANCE GOALS.—

“(1) IN GENERAL.—Not later than 180 days after the date of enactment of this section, the Director, in consultation with the Secretary, shall establish performance goals for evaluating the efforts of Federal agencies in improving the maintenance, purchase, and use of energy-efficient and energy-saving information technology.

“(2) BEST PRACTICES.—The Chief Information Officers Council established under section 3603 of title 44, United States Code, shall recommend best practices for the attainment of the performance goals, which shall include Federal agency consideration of the use of—

“(A) energy savings performance contracting; and

“(B) utility energy services contracting.

“(e) REPORTS.—

“(1) AGENCY REPORTS.—Each Federal agency shall include in the report of the agency under section 527 a description of the efforts and results of the agency under this section.

“(2) OMB GOVERNMENT EFFICIENCY REPORTS AND SCORECARDS.—Effective beginning not later than October 1, 2015, the Director shall include in the annual report and scorecard of the Director required under section 528 a description of the efforts and results of Federal agencies under this section.”.

#### SEC. 303. ENERGY EFFICIENT DATA CENTERS.

Section 453 of the Energy Independence and Security Act of 2007 (42 U.S.C. 17112) is amended—

(1) in subsection (b)—

(A) in paragraph (2)(D)(iv), by striking “the organization” and inserting “an organization”; and

(B) by striking paragraph (3); and

(2) by striking subsections (c) through (g) and inserting the following:

“(c) STAKEHOLDER INVOLVEMENT.—The Secretary and the Administrator shall carry out subsection (b) in collaboration with information technology industry and other key stakeholders, with the goal of producing results that accurately reflect the best knowledge in the most pertinent domains. In such collaboration, the Secretary and the Administrator shall pay particular attention to organizations that—

“(1) have members with expertise in energy efficiency and in the development, operation, and functionality of data centers, information technology equipment, and software, such as representatives of hardware manufacturers, data center operators, and facility managers;

“(2) obtain and address input from Department of Energy National Laboratories or any college, university, research institution, industry association, company, or public interest group with applicable expertise;

“(3) follow—

“(A) commonly accepted procedures for the development of specifications; and

“(B) accredited standards development processes; and

“(4) have a mission to promote energy efficiency for data centers and information technology.

“(d) MEASUREMENTS AND SPECIFICATIONS.—The Secretary and the Administrator shall consider and assess the adequacy of the specifications, measurements, and benchmarks described in subsection (b) for use by the Federal Energy Management Program, the Energy Star Program, and other efficiency programs of the Department of Energy or the Environmental Protection Agency.

“(e) STUDY.—The Secretary, in collaboration with the Administrator, shall, not later than 18 months after the date of enactment of the Energy Efficient Government Technology Act, make available to the public an update to the Report to Congress on Server and Data Center Energy Efficiency published on August 2, 2007, under section 1 of Public Law 109-431 (120 Stat. 2920), that provides—

“(1) a comparison and gap analysis of the estimates and projections contained in the original report with new data regarding the period from 2007 through 2014;

“(2) an analysis considering the impact of information technologies, to include virtualization and cloud computing, in the public and private sectors;

“(3) an evaluation of the impact of the combination of cloud platforms, mobile devices, social media, and big data on data center energy usage; and

“(4) updated projections and recommendations for best practices through fiscal year 2020.

“(f) DATA CENTER ENERGY PRACTITIONER PROGRAM.—The Secretary, in collaboration with key stakeholders and the Director of the Office of Management and Budget, shall maintain a data center energy practitioner program that leads to the certification of energy practitioners qualified to evaluate the energy usage and efficiency opportunities in Federal data centers. Each Federal agency shall consider having the data centers of the agency evaluated every 4 years by energy practitioners certified pursuant to such program, whenever practicable using certified practitioners employed by the agency.

“(g) OPEN DATA INITIATIVE.—The Secretary, in collaboration with key stakeholders and the Office of Management and Budget, shall establish an open data initiative for Federal data center energy usage data, with the purpose of making such data available and accessible in a manner that encourages further data center innovation, optimization, and consolidation. In establishing the initiative, the Secretary shall consider the use of the online Data Center Maturity Model.

“(h) INTERNATIONAL SPECIFICATIONS AND METRICS.—The Secretary, in collaboration with key stakeholders, shall actively participate in efforts to harmonize global specifications and metrics for data center energy efficiency.

“(i) DATA CENTER UTILIZATION METRIC.—The Secretary, in collaboration with key stakeholders, shall facilitate in the development of an efficiency metric that measures the energy efficiency of a data center (including equipment and facilities).

“(j) PROTECTION OF PROPRIETARY INFORMATION.—The Secretary and the Administrator shall not disclose any proprietary information or trade secrets provided by any individual or company for the purposes of carrying out this section or the programs and initiatives established under this section.”.

#### TITLE IV—ENERGY INFORMATION FOR COMMERCIAL BUILDINGS

##### SEC. 401. ENERGY INFORMATION FOR COMMERCIAL BUILDINGS.

(a) REQUIREMENT OF BENCHMARKING AND DISCLOSURE FOR LEASING BUILDINGS WITHOUT ENERGY STAR LABELS.—Section 435(b)(2) of the Energy Independence and Security Act of 2007 (42 U.S.C. 17091(b)(2)) is amended—

(1) by striking “paragraph (2)” and inserting “paragraph (1)”; and

(2) by striking “signing the contract,” and all that follows through the period at the end and inserting the following:

“signing the contract, the following requirements are met:

“(A) The space is renovated for all energy efficiency and conservation improvements

that would be cost effective over the life of the lease, including improvements in lighting, windows, and heating, ventilation, and air conditioning systems.

“(B)(i) Subject to clause (ii), the space is benchmarked under a nationally recognized, online, free benchmarking program, with public disclosure, unless the space is a space for which owners cannot access whole building utility consumption data, including spaces—

“(I) that are located in States with privacy laws that provide that utilities shall not provide such aggregated information to multi-tenant building owners; and

“(II) for which tenants do not provide energy consumption information to the commercial building owner in response to a request from the building owner.

“(ii) A Federal agency that is a tenant of the space shall provide to the building owner, or authorize the owner to obtain from the utility, the energy consumption information of the space for the benchmarking and disclosure required by this subparagraph.”.

(b) STUDY.—

(1) IN GENERAL.—Not later than 2 years after the date of enactment of this Act, the Secretary of Energy, in collaboration with the Administrator of the Environmental Protection Agency, shall complete a study—

(A) on the impact of—

(i) State and local performance benchmarking and disclosure policies, and any associated building efficiency policies, for commercial and multifamily buildings; and

(ii) programs and systems in which utilities provide aggregated information regarding whole building energy consumption and usage information to owners of multitenant commercial, residential, and mixed-use buildings;

(B) that identifies best practice policy approaches studied under subparagraph (A) that have resulted in the greatest improvements in building energy efficiency; and

(C) that considers—

(i) compliance rates and the benefits and costs of the policies and programs on building owners, utilities, tenants, and other parties;

(ii) utility practices, programs, and systems that provide aggregated energy consumption information to multitenant building owners, and the impact of public utility commissions and State privacy laws on those practices, programs, and systems;

(iii) exceptions to compliance in existing laws where building owners are not able to gather or access whole building energy information from tenants or utilities;

(iv) the treatment of buildings with—

(I) multiple uses;

(II) uses for which baseline information is not available; and

(III) uses that require high levels of energy intensities, such as data centers, trading floors, and television studios;

(v) implementation practices, including disclosure methods and phase-in of compliance;

(vi) the safety and security of benchmarking tools offered by government agencies, and the resiliency of those tools against cyber attacks; and

(vii) international experiences with regard to building benchmarking and disclosure laws and data aggregation for multitenant buildings.

(2) SUBMISSION TO CONGRESS.—At the conclusion of the study, the Secretary shall submit to the Committee on Energy and Commerce of the House of Representatives and Committee on Energy and Natural Resources of the Senate a report on the results of the study.

(C) CREATION AND MAINTENANCE OF DATABASE.—

(1) IN GENERAL.—Not later than 18 months after the date of enactment of this Act and following opportunity for public notice and comment, the Secretary of Energy, in coordination with other relevant agencies, shall maintain, and if necessary create, a database for the purpose of storing and making available public energy-related information on commercial and multifamily buildings, including—

(A) data provided under Federal, State, local, and other laws or programs regarding building benchmarking and energy information disclosure;

(B) information on buildings that have disclosed energy ratings and certifications; and

(C) energy-related information on buildings provided voluntarily by the owners of the buildings, only in an anonymous form unless the owner provides otherwise.

(2) COMPLEMENTARY PROGRAMS.—The database maintained pursuant to paragraph (1) shall complement and not duplicate the functions of the Environmental Protection Agency's Energy Star Portfolio Manager tool.

(d) INPUT FROM STAKEHOLDERS.—The Secretary of Energy shall seek input from stakeholders to maximize the effectiveness of the actions taken under this section.

(e) REPORT.—Not later than 2 years after the date of enactment of this Act, and every 2 years thereafter, the Secretary of Energy shall submit to the Committee on Energy and Commerce of the House of Representatives and Committee on Energy and Natural Resources of the Senate a report on the progress made in complying with this section.

#### PRIVILEGES OF THE FLOOR

Mr. SCHATZ. Mr. President, I ask unanimous consent that floor privileges be granted to Jimmy O'Dea, a fellow in my office, for the remainder of the 114th Congress.

The PRESIDING OFFICER. Without objection, it is so ordered.

The PRESIDING OFFICER. The Senator from California.

#### CONGRATULATING THE PRESIDING OFFICER

Mrs. BOXER. Mr. President, I congratulate the Presiding Officer on his election and welcome him to the Senate.

The PRESIDING OFFICER. Thank you.

Mrs. BOXER. Mr. President, I remember when I first came to the Senate and I sat in that chair, it was a moment to really learn a lot about the heartbeat of the Senate—the ebb and flow. So congratulations to you.

I was a little shocked to hear the majority leader, Senator McConnell, say that the economic uptick coincided with the election of the Republicans in this last election. There is no question that the Republicans won many seats here, and it is clear that the Democrats lost, but to say that is why we are having this economic uptick, I believe, would win my friend, the majority leader, the award for most creative spinner. I see he is here because I think he wants to stop me from speaking at this point.

Without losing the floor, I yield to my friend.

Mr. McCONNELL. I thank my friend from California.

The PRESIDING OFFICER. The majority leader.

#### ORDERS FOR TUESDAY, JANUARY 13, 2015

Mr. McCONNELL. Mr. President, I ask unanimous consent that when the Senate completes its business today, it adjourn until 10 a.m., Tuesday, January 13, 2015; that following the prayer and pledge, the morning hour be deemed expired, the Journal of proceedings be approved to date, and the time for the two leaders be reserved for their use later in the day; that following any leader remarks, the Senate resume the motion to proceed to S. 1 until 12:30 p.m., with the time equally divided between the two leaders or their designees; further, that the Senate recess from 12:30 p.m. until 2:15 p.m. to allow for the weekly conference meetings to occur; finally, that notwithstanding the provisions of rule XXII, all time during morning business, the recess, and the adjournment of the Senate count postcloture on the motion to proceed to S. 1.

The PRESIDING OFFICER. Is there objection?

Without objection, it is so ordered.

#### PROGRAM

Mr. McCONNELL. Unfortunately, there is an objection from our colleagues on the other side of the aisle to yielding back time on the motion to proceed to the bill. So I say to my colleagues that if all time is used, we will be on the bill shortly after midnight tomorrow night, and then we would have to begin to offer amendments under the regular order.

Chairman MURKOWSKI is ready to start that process on the floor tomorrow whenever that may occur—whether it is during the day by agreement or whether it is in the middle of the night without agreement.

I encourage Senators on both sides of the aisle to file their amendments and get them in the queue.

#### ORDER FOR ADJOURNMENT

Mr. McCONNELL. Mr. President, if there is no further business to come before the Senate, I ask unanimous consent that it stand adjourned under the previous order following the remarks of Senator BOXER for up to 30 minutes.

The PRESIDING OFFICER. Is there objection?

Without objection, it is so ordered.

The Senator from California.

#### THE ECONOMY AND KEYSTONE PIPELINE

Mrs. BOXER. I thank the majority leader for allowing me this time to pro-

ceed. It is one thing to rewrite history a few years after it passes. It is another thing to rewrite it while you are still living through it. To say that this economic recovery is a Republican recovery is kind of funny and strange.

In fact, the year 2014 was the best year for job creation since 1999, and it could have been a lot better in 2014 and in prior years if our Republican friends had not filibustered every single job proposal that President Obama put forward. It is sad because we could have gotten here much quicker.

The economy added almost 3 million jobs in 2014, averaging almost 250,000 jobs a month. The unemployment rate has fallen to 5.6 percent, and most of that decline—and here is the good news—came from long-term unemployed workers getting back to work. The GDP growth has accelerated, reaching an annualized rate of 5 percent in the third quarter of 2014. This is the best GDP growth we have seen in over 10 years.

Our economic recovery has been long, it has been tough, but it is happening and I thank the President for his leadership. We have added 11.2 million private sector jobs since February of 2010. That is the longest streak of recorded private sector job gains in American history.

The stock market has bounced back from the crash and added more than 10,000 points, reaching an all-time high of over 18,000 points. Our annual deficit has been reduced by almost two-thirds.

I think it is important to put into context the job growth under Presidents Democratic and Republican. I think we need to look at private sector job growth. This is an extraordinary chart. Under George Herbert Walker Bush, there were 1.5 million jobs created in his term of office. In Bill Clinton's term of office, there were 21.2 million jobs created. I have seen that number up to 23 million, but that is probably including the public sector. But during Bill Clinton's term, there were 21.2 million private sector jobs. Under George W. Bush, there was a loss of 460,000 jobs. Under President Obama, there is a gain so far of 7 million, and he has 2 years to go, and we are just moving forward.

To me this says that we Democrats know what we are doing, and if you want to look at deficits, that is another day's speech. It was Bill Clinton who balanced the budget. It was George W. Bush who unbalanced it, put two wars on a credit card, gave a tax cut to the rich, and we had terrible deficits. Barack Obama has now reduced this deficit by two-thirds.

So I say all this leading up to my discussion of the Keystone Pipeline. How does that even connect? I will tell you. When a new majority takes over in Congress you know the first bill they take up symbolizes their priorities. Out of all the things that they pick, all the things that they pick, they pick a bill that in terms of permanent job creation will be thirty-five jobs. And that
